BATCH/LOT NUMBER

Phosron[®] Soil 7-21-0

DESCRIPTION

Phosron[®] Soil is a soil-applied liquid nutrient that is designed to provide available Phosphate that may be deficient in the soil or plant.

DIRECTIONS FOR USE

For best results, use watered-in applications. May be applied via irrigation system or prior to irrigation. Apply enough water to move the product into the area of active rooting, but not excessive amounts that may leach. Use the higher label rates with surface and flood irrigation. Shake well and/or agitate before use.

When mixing with other material such as Calcium or other micronutrient fertilizers, always establish compatibility using the standard quart jar method prior to tank mixing. When blending with micronutrients additional water and agitation may be required. A citric acid buffering agent can also be used to improve compatibility.

RATES & TIMING FOR ALL CROPS

Apply 5-20 gallons/acre any time during growing season; repeat as needed.

WARNING: The application of fertilizer material containing molybdenum (Mo) may result in forage crops containing levels of molybdenum (Mo) which are toxic to ruminant animals.

WARNING

READ ENTIRE LABEL BEFORE USE | KEEP OUT OF REACH OF CHILDREN

HAZARD STATEMENTS Causes skin irritation. Causes eye irritation. May cause respiratory irritation.

PRECAUTIONARY STATEMENTS Avoid breathing fumes/gas/mist/vapors/spray. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Call a poison center if you feel unwell. Wear protective gloves/protective clothing/eye protection/face protection. Take off contaminated clothing and wash before reuse. **IF ON SKIN:** Wash with plenty of water. If skin irritation occurs get medical advice/attention.

IF INHALED: Remove person to fresh air and keep comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical attention. Store in a well-ventilated place.

Keep container tightly closed. Store locked up. Dispose of contents/container in accordance with local/national regulations.

WARRANTY AND CONDITIONS OF SALE Manufacturer warrants that this material conforms to the chemical description hereon and is reasonably fit for use as directed. No other warranty is made, either expressed or implied. BEFORE OPENING, see other conditions and limitations that apply which are available at: <http://www.FBSciences.com/ProductConditionsOfSale/>.
