

# DriveKP™

## Biostimulant

### PRODUCT BENEFITS

DriveKP™ is a diapotassium phosphate product built with Transit® biostimulant and plant extracts, designed for high nutrient mobility and uptake within the plant. With organic acids from our Transit biostimulant and key nutrients, DriveKP supports berry firmness and berry brix for enhanced fruit quality.

### BIOSTIMULANT BENEFITS

#### IMPROVED BERRY FIRMNESS

Enhances cell wall strength to support berry firmness

#### INCREASED BERRY BRIX

Supports sugar movement to the fruit, increasing berry brix

#### OPTIMIZED FORMULATION

Designed for superior leaf penetration and enhanced nutrient mobility to drive results in the field

# DriveKP™

## Biostimulant

VALENTBIOSCIENCES.COM/BIOSTIMULANTS

### DriveKP Overview

- Utilizes Transit-chelated nutrition for increased translocation in the plant
- Superior foliar formulation for leaf penetration
- Increases cellular strength for increased fruit firmness
- Improves translocation of sugars

### Complementary Nutrition

#### DriveKP Biostimulant

#### Guaranteed Analysis:

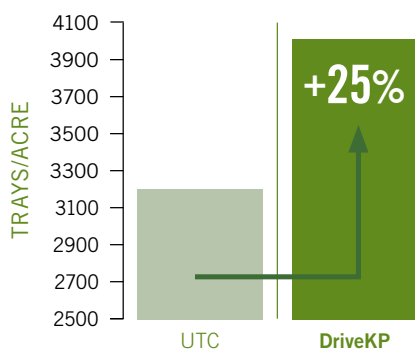

Available Phosphate (P <sub>2</sub> O <sub>5</sub> ) .....	19.0%
Soluble Potash (K <sub>2</sub> O) .....	26.0%
Molybdenum (Mo) .....	0.05%

Derived from: Dipotassium phosphate and sodium molybdate.

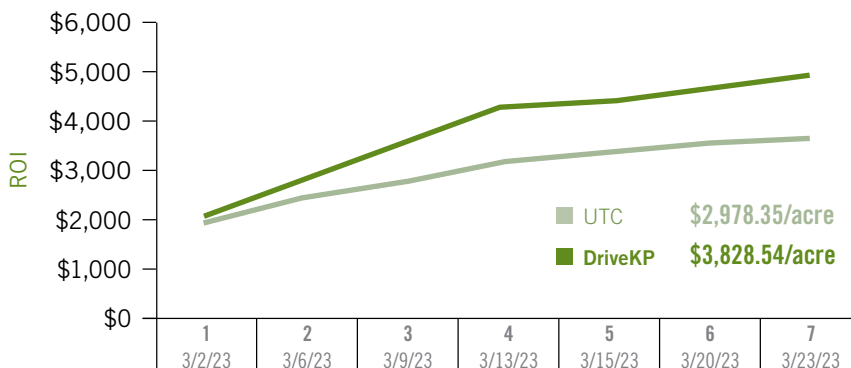

### DriveKP Increased Yield & Fruit Quality in Strawberries

Early season applications of DriveKP outperformed the untreated control (UTC) during cool, wet conditions. DriveKP increased yield by 25% over the UTC during the cool, wet period from February to April. DriveKP also resulted in 29% greater ROI in strawberries over the UTC.

Yield During Cool, Wet Period

ROI For Picks During Wet, Cold Spring

#### HOW TO USE

##### Crop Type

Strawberries

##### Use Rate

Foliar: Apply 1 – 2 quart/acre. See label for details or contact your crop advisor or Valent BioSciences for additional information.

##### Application Timing

Apply from ripening to harvest; then every 14 – 21 days

Always read and follow label instructions. For the full product warranty, terms and conditions, please visit [www.warrantydetails.net](http://www.warrantydetails.net), or contact us at 1-877-696-4204.
